## Counseling | Education | Peer Support | Intervention For Lawyers' Wellbeing.

Lawyers are professional problem solvers, but they are also uniquely vulnerable to a number of stressors that can threaten their health, personal lives, and, most especially, their livelihoods. LAP works with lawyers to enhance career satisfaction and to prevent such stressors from jeopardizing a lawyer's practice and career.

### **LAP is committed to partnering with all lawyers on the path to wellness.**

Lawyers can come to LAP for personal support or to help a colleague with complete assurance of confidentiality. LAP's free and confidential services include consultations, assessments, individual and group therapy, referrals, and interventions.

Confidentiality is guaranteed by Supreme Court Rule 1.6(d), which guarantees that all information received by LAP staff and LAP volunteers is protected by the attorney-client privilege.

**Additionally, LAP is not affiliated with the ARDC and may not disclose any information unless the client signs a release requesting LAP to do so.**

### **Our Mission:**

**To help** lawyers, judges, and law students get assistance.

**To protect** clients from impaired lawyers and judges.

**To educate** the legal community.
